

Trimont City Water/Sewer Committee Minutes

Pursuant to due call and notice thereof, a Water/ Sewer Committee Meeting was duly held at the Trimont Community Building on the 25th day of March, 2025 at 1:30 o'clock P.M.

The following members were present: Council Member Justin Lubben, Mayor Kevin Kuehl, Public Works Supervisor Jason Becker, Public Works Ryan Geistfeld

Discussion on whether the city needs a Class A operator. The water & wastewater needs to cut costs or charge more money. The bid from the other would not need to have the Class C Water license included as Jason has his Class C water license to operate the city water plant. We should check references. Will there be any extra charges for issues that come up.
